Bring the family

Lincolnshire UNISON invites you to the Cost Of Living Crisis London Rally, 18th June.

We are all facing significantly greater pressure, with increase in prices while our real terms wages continue to fall far below our needs.

Together we can combat all job and pay cuts.

The policies of the present government both national and locally are causing misery for our members and its time for us all to stand up and fight in unity. "Together we are stronger".

Now is the opportunity to get active in your local branch and fight for our futures.

Let us know you want to come by emailing us at info@lincunison.org.uk
